Briefing Slides for Release of 2024 GCE O-Level Results

Dear students,

You have worked hard to reach this stage. Let's celebrate our efforts!

**Remember that while everyone's
educational journey is different,
we can each have a fulfilling outcome!**

Thinking about Your Next Step?

Consider these questions!

Where do I want to go?

Who am I?

**How Do
I Get There?**

Release of O-Level Results

- **What am I good at? Are there areas that I am interested in?**
 - Think about type of courses you have strengths and are interested in
 - For example, you may be interested in engineering, healthcare or design courses

- **Where should I go?**
 - List down all the institutions that offer courses that are aligned to your interests
 - For example, if you are interested in design, you could list down the design courses offered by the polytechnics, such as the Diploma in Immersive Media, offered by NP or Diploma in Sonic Arts, offered by RP. You can also consider courses offered by ITE such as the Higher Nitec in Interactive Design or the Higher Nitec in Visual Effects.
